## Non-degree Admission to Undergraduate Classes

### Students processed through Extended Education

- College graduates who wish to take additional undergraduate classes
- Teacher certificate only (college graduates)
- Concurrent Students (attending another college simultaneously. One TCU semester for students seeking a degree at another institution)
- Students without degree (22 years of age or older) who are not currently seeking a degree. May take a maximum of 12 semester hours of course work not exceeding 6 hours per semester or 3 hours per summer term. Referred to as Limited Enrollment students
- Readmitted students not seeking a degree (undergraduate classes only)
- Ranch Management (evening classes)
- Auditors (undergraduate classes only)

### Simplified Admission

Non-degree applicants must provide only transcript from the school most recently

attended. The applicant must be eligible to return.

Credits earned elsewhere by non-degree students are not evaluated for transfer to TCU.

### Academic Requirements

After admission both degree and non-degree students must maintain the same academic standards (outlined in the University Bulletin) to avoid probation or suspension. Grades earned become part of the student's permanent academic record. If a non-degree student decides to drop a class official withdrawal procedures must be followed to avoid a grade of "F" for the course.

There are no separate classes for non-degree students.

### Academic Credit

If, at a later date, a non-degree student is accepted as a TCU degree seeker, credits earned as a non-degree student can be applied toward that degree. Also, transcripts for work done as a non-degree student can be used to transfer TCU credits to other colleges and universities.

### To Earn a Degree

To work toward a degree at TCU and to receive an official evaluation of transfer credit, an applicant must submit transcripts from all schools attended, complete a more detailed application form for the Office of Admissions, and meet all requirements for degree candidacy.
