

# **SPECIAL INTEREST GROUPS (SIGs)**

## **\*\*\*Spring 2021 Plans for meeting\*\*\***

Special Interest Groups (SIGs) foster fellowship and allow members to engage with others who share a common interest. Special Interest Groups are member-driven and meet on a regular schedule such as bi-weekly or monthly, according to what the group members decide. SIGs are an added benefit of your Silver Frog membership.

## **Culture**

### **Art of Fort Worth - contact: Ann Heinz [sigarttcu@gmail.com](mailto:sigarttcu@gmail.com)**

Discover Ft. Worth's unique and fascinating art scene. View the art in our area by visiting galleries, studios, special events and museums with fellow Silver Frogs. Tours are led by docents, artists and gallery owners and generally occur every two weeks. Attendees may decide to get together after a tour to discuss art and visit with new friends. **Connecting through email.**

### **Discussion of Current Societal Issues - contacts: Larry & Elaine Klos [klostx@sbcglobal.net](mailto:klostx@sbcglobal.net)**

This group explores societal issues chosen by the members. The goal is to provide a welcoming atmosphere where all points of view can be presented and respectfully heard. The group will have succeeded when members can "agree to disagree" with respect to other's viewpoints. **Meeting virtually with Zoom.**

### **German Conversation - contact: Helga Gerlinger [helgagerlinger@sbcglobal.net](mailto:helgagerlinger@sbcglobal.net)**

Members of this group enjoy having the opportunity to get together to enhance their working knowledge of German, brush up on grammar, add new vocabulary and join in discussions of current events and other topics of interest. **Waiting to meet in person.**

## **Food and Fellowship**

### **Ladies Lunch Out - contact: Virginia Dias [virginiadias0863@gmail.com](mailto:virginiadias0863@gmail.com)**

### **Men's Breakfast Group – contacts: Gary Harrell [garem36@sbcglobal.net](mailto:garem36@sbcglobal.net) and Jim Box [fishingbones@yahoo.com](mailto:fishingbones@yahoo.com)**

The men's monthly breakfast group meets with the goal of fostering friendships, networking and exploring common interests in a relaxed atmosphere. Social and/or service opportunities could arise out of any shared interests. **Connecting through email.**

### **Positive Aging - contact: Anne Carlson [carlsonab@sbcglobal.net](mailto:carlsonab@sbcglobal.net)**

This group will share resources that enhance positive aging, develop a supportive community to anticipate, smooth, and own expected/unexpected life transitions. In addition, it will provide an informal forum to facilitate in-depth continuing discussions, relationship building and growth.

A pre-requisite is that participants need to have taken Kathy Bowser's class called: *The Gift of Years - The Art of Aging Gracefully* by Joan Chittester, for at least one of the sessions to be familiar with the concept of this SIG. Size may be limited due to the size of the facility we will be using (La Madeleine restaurant at 6240 Camp Bowie) and to allow for strong group interaction. **Waiting to meet in person.**

### **Women & Wine - contact: Sian Borne [sianb0803@hotmail.com](mailto:sianb0803@hotmail.com)**

This group meets to provide an opportunity for networking with other Silver Frog women who enjoy tasting and learning about wine, plus possibly arranging for more formal tastings/trips at local wineries. **Meeting virtually with Zoom.**

## Food and Fellowship (continued)

### **NEW!!!! Bake Anything Better - contact: Sharon Harrelson [sharon.r.harrelson@sbcglobal.net](mailto:sharon.r.harrelson@sbcglobal.net)**

Silver Frogs who are already bakers (or those who'd like to be) are invited to join this SIG to improve their understanding of ingredients, recipes, techniques and tools. We'll select a topic for each meeting and take turns "hosting" to present and share information; members will be encouraged to bake a recipe at home, then share their observations and results with the group so we can learn together. *Meeting virtually with Zoom.*

## Sports and Games

## Working Together, Developing Skills

### **American Sign Language - contact: Lisa Winter [lqw.winter@gmail.com](mailto:lqw.winter@gmail.com)**

The group welcomes all skill levels. Come have fun while learning a new skill. We learn to sign colors, numbers, food names, time elements, verbs and communicate in complete sentences. As a grandparent, sign language can be a way to communicate with very young grandchildren before they learn to talk. *Meeting virtually with Zoom.*

### **Give Me A Break - contact: Roger Norman [Roger@Normanestatelaw.com](mailto:Roger@Normanestatelaw.com)**

Give Me a Break is a group of Silver Frogs formed to assist and "give a break" to caretaker Silver Frogs who are caring for their spouse or other family member. Some of our fellow Silver Frogs are not in the best of health and need around-the-clock care by their spouse, so we provide relief for the caretaker on an occasional basis. Times of assistance will vary depending on needs of the caretaker and availability of our volunteer(s), and our volunteers may split a shift depending on their schedules. Volunteers and the ill spouse will be matched by gender. Examples of assistance are keeping the ill person company, making and sharing a drink of coffee or tea, establishing a 'meal train,' running errands, grocery shopping, and taking the ill person out to lunch if the person's condition and situation permits. *Waiting to meet in person.*

### **Knitting - contact: Terry Marquardt [marquardt@gmail.com](mailto:marquardt@gmail.com)**

We will meet once a month to work on our knitting projects. We will share our patterns, ideas, learn more knitting "tricks," and help each other fix knitting "mistakes." *Waiting to meet in person.*

### **No Fears Writers Group - contact: Judith Soriano [soriano.soriano100@gmail.com](mailto:soriano.soriano100@gmail.com)**
