Course Priorities

Please number the courses/lectures requested in order of preference with #1 begin highest priority, #2 being second highest priority, etc., for a maximum of six programs. The computer software runs the allocation in an objective fashion, enrolling members based on available space and priority levels. During the week of January 6 - 10, you can modify your priorities until 5pm on Jan 10. If you decide to delete a requested course or lecture, you must contact TCU Extended Education 817-257-7132 to have that done. You will be notified of which programs you are confirmed for after the allocation process has ended.

Important: You must "Save Priorities" in order for this ranking of your preferences to be recorded (see button above the listing).
