Parking Permit

Valid June 8 - August 7, 2015

My camper is registered for camp:

This permit allows you to park in a white-lined space in a TCU parking lot for a brief period of time to check-in/check-out a camper. This permit does not cover parking spaces on side streets.

Please keep this on the dashboard (driver's side) of your vehicle so it can be viewed from the outside. Vehicles without a permit or parked illegally are subject to towing or booting at the owners expense.
