

Greetings to all Silver Frog members:

Special Interest Groups (SIGs) foster fellowship and allow members to engage with others who share a common interest. Special Interest Groups are member driven and meet on a regular schedule such as bi-weekly or monthly, according to what the group members decide. SIGs are an added benefit of your Silver Frog membership.

The following are the Special Interest Groups (SIGs) that have been proposed. We will add new SIGs to the list as we receive additional proposals. To submit a SIG proposal through our online process, click the link on our webpage, www.lifelong.tcu.edu/silver-frogs

Art of Fort Worth – SIG contact: Ann Heinz – agatha1@flash.net

Discover Fort Worth's unique and fascinating art scene with us! View the art in our area by visiting galleries, studios, special events, museums and behind the scene tours with fellow Silver Frogs. Tours will generally occur every other week and will be led by docents, artists and the owners. Attendees may decide to get together after a tour to discuss the art and just enjoy new friends. An update of the schedule of tours and weekly updates will be provided.

Exploring Different Perspectives, A Societal Issues Discussion Group– SIG contacts: Larry and Elaine Klos – klostx@sbcglobal.net

This group will explore societal issues chosen by the members. Each specific issue will then be open for discussion regarding what defines its problems and potential solutions. The goal is to provide a welcoming atmosphere where all points of view can be presented and respectfully heard. It is anticipated that some, and mostly many, of these topics will not have a "correct" answer. The group will have succeeded when the members can "agree to disagree" with respect for other's viewpoints.

German Conversation – SIG contact: Helga Gerlinger – helgagerlinger@sbcglobal.net

Members of this group will have the opportunity to enhance their working knowledge of German, brush up on grammar, add new vocabulary and join in discussions of current events and other topics of interest.

WHAT WOULD YOU LIKE TO OFFER? LET US KNOW!!
